

THE IMAGE OF THE BEAST

“And he deceives those who dwell on the earth by those signs which he was granted to do in the sight of the beast, telling those who dwell on the earth to make an image to the beast who was wounded by the sword and lived.” (Revelation 13:14)

Once the whole world is looking at the second beast, it will suggest building an image of the first beast.

That involves creating a political and religious organization that uses civil power to impose religious doctrines, as the Papacy did during the Dark Age.

“When the leading churches of the United States, uniting upon such points of doctrine as are held by them in common, shall influence the state to enforce their decrees and to sustain their institutions, then Protestant America will have formed an image of the Roman hierarchy.” (E.G.W., GC 444).
